THE PAXTON MEDIA CENTER

The Paxton media center redefines custom living for public spaces. Hidden hardware seamlessly connects the entire system for a flawless finish. An extra long shelf accommodates televisions of various sizes; the exclusive ventilated Everstyle component drawer keeps electronics concealed and cool. Illuminated glass shelving offers a striking display space. A purposeful mix of open and closed storage lends continuity to the design while organizing equipment, books, decor, and more.

ADDITIONAL FEATURES INCLUDE:

Inset drawers and door faces; custom spotlights; recessed lighting; integrated wireless charger; continuous bottom shelf hardware; Everstyle TV remote drawer; hidden and refined hardware

THE PAXTON WINE BAR

The Paxton wine bar takes entertaining to the next level. Beautiful, functional construction organizes a full wine collection. Wine stars help to group wine by category and balance the aesthetic with clean, symmetrical lines. Silestone countertops mix durable surfaces with organic contrast. Extra long floating glass shelves beneath spotlights create a luxe showcase for glassware. Closed storage hides dishware, table settings, and more.

ADDITIONAL FEATURES INCLUDE:

Inset drawers and door faces; built-in power outlets; continuous bottom shelf; exclusive Paxton door and drawer pulls; multiple storage options; hidden and refined hardware

THE PAXTON COLLECTION

The Paxton Collection is California Closets' exclusive new storage collection designed in a transitional modern aesthetic to elevate every room in the house.

Distinguished by its streamlined profile, Everstyle Drawer System, and hidden hardware, this comprehensive collection maintains an elegant, cohesive design in any configuration. A select, complementary palette of premium finishes, materials, and coordinating design elements combine to create beautiful systems equivalent to custom built-in furniture.

Rooted in California Closets' rich history of craftsmanship and expertise, the Paxton Collection is the perfect solution for any space—from the closet to the media center, to the home office and wine bar.

FINISHES + MATERIALS

The Paxton Collection achieves its refined design through a discerning palette of materials, hardware, finishes, and colors. This edited selection ensures the collection's transitional modern design stays true for every custom configuration.

HIDDEN HARDWARE

Hidden hardware creates a streamlined, flawless finish. Installed inside, within, or behind each piece, the hardware disappears from sight and provides the elevated finishing touch that makes the Paxton Collection perfect for every room in the home.

THE PAXTON HOME OFFICE + WALL BED

The Paxton home office performs smart double duty. A soft-motion wall bed transforms the daily workspace into a weekend guest room. A designated desk with the exclusive Everstyle versatile drawer enhances function and organization. Open shelves mix with closed cabinetry for office supply and bedding storage both accessible and hidden.

ADDITIONAL FEATURES INCLUDE:

Inset drawers and door faces; refined flip-up and flip-down hardware; built-in power outlets; file drawer storage
